Phase One & Digital Transitions Announce Capture One 8 Cultural Heritage Edition

by Doug Peterson | May 7, 2015 | Cultural Heritage News, Products

The DT Division of Cultural Heritage and Phase One are excited to announce our collaboration on Capture One CH 8 Edition. Phase One's Capture One Software is being designed to support and enhance cultural heritage workflows from capture through post-processing....

Rare Material Digitization at NYPL

by Doug Peterson | May 6, 2015 | Testimonials, Video

Watch how the New York Public Library (NYPL) uses Digital Transitions Division of Cultural Heritage products to digitize their rare book collections. They use a combination of DT copy stands, the DT RCam and Phase One digital backs. Contact Us: Division of...

DT DCH: Advanced Dealer Training

by Scott Newirth | May 5, 2015 | Events

As part of the DT Division of Cultural Heritage global partnership with Phase One, today we held an advanced training with Phase One's worldwide partner network in Cologne, Germany. We are excited to work with Phase One dealers to help educate the worldwide...

The Case for Quality Digitization

by Doug Peterson | May 4, 2015 | Testimonials

There is a widespread belief by many members of the cultural heritage community that high quality digitization is too expensive to achieve and is not truly required for some digitization projects. In this blog post we look deeper into this topic, and why groups like...

Watch the Freer Art Gallery's entire digitization program in less than 3 minutes

by Scott Newirth | May 3, 2015 | Testimonials, Video

Watch this fun video from our client at the Digitization Program Office with the Freer and Sackler Galleries as they go through their entire digitiziation program in under 3 minutes. Interested in a similar solution for your program? Contact Us: Division of Cultural...
